Company Profile

Kay Pee Industries, is located in Ludhiana (Punjab-India) which is called as the Manchester of India i.e. rich in industrial establishments and also as the Industrial Hub of Punjab State. It is a major industrial centre of northern India. Govt of India has placed Ludhiana among the top 100 smart cities of India and it has been ranked as one of the easiest city in India for business according to the World Bank.

Kay Pee Industries' "USHA" is a well-known brand in the Fasteners' industry of India manufacturing High Tensile Fasteners 8.8, 10.9 & 12.9 Grades; ASTM, ANSI in different finishes viz. BZP, YZP, Phosphating, HDG, Trivalent, Geomat, Dacromet. Kay Pee Industries is a renowned Group of Industries i.e. KAY PEE INDUSTRIES is the Flagship Company (manufacturing & exporting High Tensile Fasteners, Forgings & infrastructure Components), J. K. CYCLES (manufacturing steel forgings for bicycle, hand tools & Auto Parts industries) & BVM INCORPORATE (Galvanizing Plants-catering requirement of its Group Companies). Rajan Gupta – Managing Partner of Kay Pee Industries, is an ICON of Ludhiana industry, President of Ludhiana Focal Point Association (Phase-IV), an entrepreneur with 45 years' experience in the trade. His sons Mr. Manik Aggarwal & Mr. Kunal Aggarwal are the Partners of Kay Pee Industries, having rich techno-commercial experience of more than 15 years.

Kay Pee Industries was established in 1962 to manufacture tailor made High Tensile Fasteners for special applications of Railway tracks in Metro Railways and for Wind Turbine Industry.

The Company is located in Ludhiana, in the state of Punjab, India and its fasteners have been supplied across the globe through M/s Pandrol UK Ltd. to their Metro Rail Projects-Dubai in the UAE, Ankara in Turkey, Singapore for the MRTS and for the Piccadilly Line in UK, Dhaka-Bangladesh, Malaysia, Vietnam, Thailand. Their Joint Venture has procured these Fasteners for their Metro Rail Projects in Chennai, Delhi, Kolkata, Nagpur, Pune, Mumbai, J&K IRCON & KRCL totalling track length of millions of Kms. Kay Pee Industries' Fasteners have been supplied through BHEL to Bangladesh for India-Bangladesh Friendship Project.

Kay Pee Industries is also a major supplier to Suzlon Energy Ltd. with whom the association has been ongoing for the last more than 20 years.

The Company believes in continued improvement of process and upgradation of the manufacturing facilities to adopt state-of-art with a view to achieve total quality management.

Its other products and customers are Shear Key System supplied through M/S Hochtiff Ballast Needam of Netherlands for the Taiwan High Speed Rail, Metro Rail Fasteners for System 336 to DMRC through M/s Patil Rail Infrastructure Pvt. Ltd.; High Tensile Steel Structural Fastener for RIL's Jamnagar Refinery, M/S Larsen & Toubro for Jammu Katra Railway Line, M/S Hindustan Construction Co. Ltd. for Brahmaputra Bridge and Bandra Worli Sea Link, including to M/s Kirby Building Systems. Also, Anchor Bolts/ Soil Anchoring Systems have been supplied to Suzlon Energy Ltd.

Company believes in continued improvement of processes and upgradation of manufacturing facilities to adopt state-of-the-art technology with a view to achieve Total Quality Management. Kay Pee Industries is 'An ISO 9001-2015, ISO:45001-2018 & ISO:14001-2015 Certified Company. It is registered with Govt. of India, Ministry of Micro, Small and Medium Enterprises.

Company has established itself as a cutting edge with solid foundation in place as a result of developing stringent manufacturing capabilities teamed with stringent quality control measures.

Products Manufactured

High Tensile Fasteners

8.8, 10.9, 12.9, ASTM, ANSI-in Different Finishes, BZP, YZP, Phosphating, HDG, Trivalent, Geomet Decromet, ZP Coatings
